A Voiceover program

Video work

Clipchamp

I learned more about wind turbines

Work on videos

Newly gained skills

Počet respondentů, kteří odpověděli **Better english** na tuto otázku: **6 (29%)**. ...

About wind turbines

About wind turbines

Wind turbines

How to manage people

Make video with powerpoint

Better english communication, teamwork

Speaking with other people

Leadership

Better english

Animations creating, editing video

New skills with making videos, better english

Working in international team

Better english

Better english

Better english

How wind turbine works; how to manage people.

Learned about the wind turbines

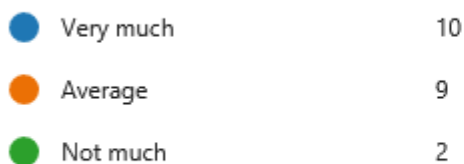

Teamwork

Searching for and finding information about an outfield and synthesise it in order to create the most useful description of the subject.

I had the chance to do animations in Power Point, which I learned how to do in Bulgaria thanks to the Czech students. I had the opportunity to test my skills and also expand my knowledge of wind turbines.

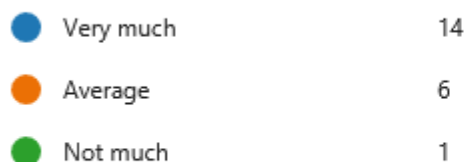

Making a voiceover, working on PowerPoint, working with group

Improvement of professional knowledge learned previously

2) IMPROVEMENT OF YOUR LANGUAGE SKILLS

A/ Improvement in English

B/ Improvement of communication skills

● Very much	12
● Average	8
● Not much	1

3) HAVE THE PROJECT MOTIVATED YOU TO SELF – STUDIES?

Degree of motivation

[Další podrobnosti](#)

● Very much	15
● Average	5
● Not much	1

What knowledge have you gained on your own?

Počet respondentů, kteří odpověděli **Wind turbines** na tuto otázku: **12 (57%)**.

Word cloud content:

- Wind turbines
- renewable energies
- power stations
- people in foreign
- foreign country
- france
- city transport
- energy transformation
- green
- Facts about france
- foreign people
- transport in France
- no knowledge
- interested
- different components
- knowledge
- English language
- project
- better

Wind turbines

Wind turbines

Wind turbines

Idea of renewable energies is the future and we need to explore it more

I don't know

Facts about france and wind turbines

Wind turbine

Maintenance of wind turbines

What are wind turbines made out of, What materials are used, how do they work

Yes, I am now much interested in green power stations mostly wind turbines

Maybe no knowledge, but the project motivate me to get better in editing videos

Wind turbines

English language.

About the energy transformation in the wind turbine

Knowledge about the wind turbines

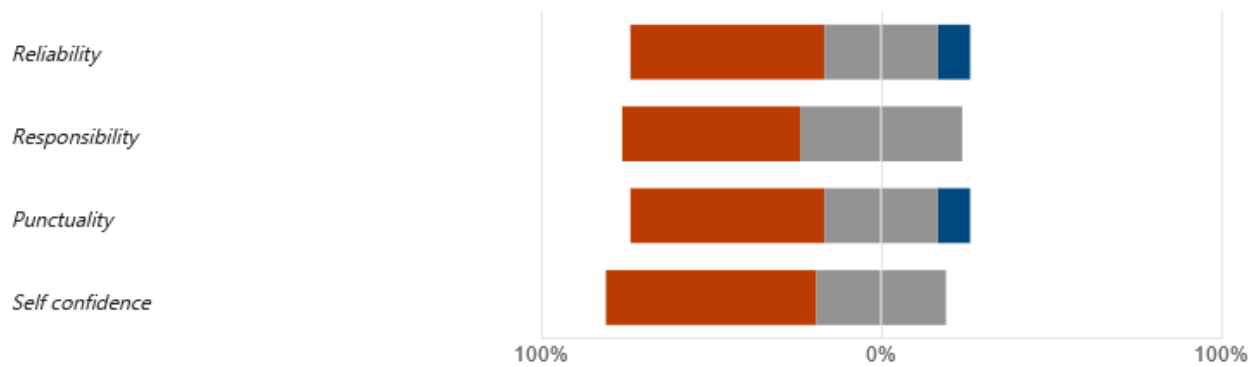

What are the different components of the wind turbine.

How to work in groups and be more persistent

Learning how to work with the city transport in France, working with foreign people in foreign country

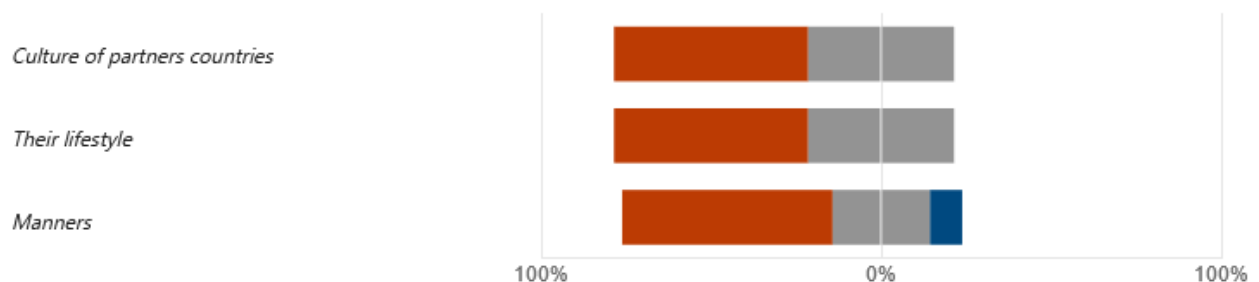

4) HAS THE PROJECT WORK INFLUENCE/IMPROVED YOUR PERSONALITY?

■ A lot ■ Average ■ Not much

5) PROJECT CONTRIBUTION TO YOUR GENERAL OUTLOOK

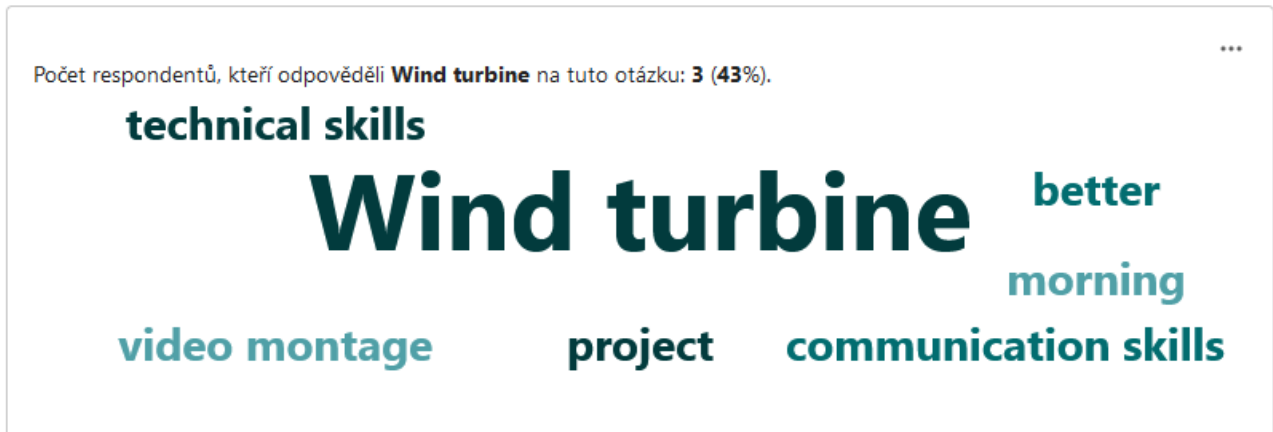

■ A lot ■ Average ■ Not much

6) PROJECT CONTRIBUTION TO YOUR GENERAL OUTLOOK

Notes

Wind turbine

Wind turbines

Wind turbines

Nothing

I think I will be better in communication skills and more. I like this project and I can recommend.

Croissant the morning, video, video montage

Technical skills
